I \_\_\_\_\_ have received a copy of the rules and regulations from Virginia School for Nurse Aides(VSNA) either by e-mail, or hard copy. We also went over this information on the first day of class via overhead projector and classroom discussion. I was given an opportunity to ask questions. I understand that if at any time in the future that I may have further questions or concerns I may always ask any staff member after I have FIRST referred to the copy I have in my possession.
